

SURPLUS EXCHANGE

What shall we
do with our
leftovers?

Check out **LEROMA's**
surplus exchange!

What with our
food ingredients
surplusses?

LEROMA and sustainability

Our surplus exchange is an additional service offered to our customers in order to promote sustainability in trade with food raw materials. In this way, raw material suppliers and food producers can sell their surplus quotas quickly and easily and raw material buyers benefit from unique conditions and attractive occasional transactions.
